OneDine Named Dave & Buster's Vendor Partner of the Year

March 10, 2024

OneDine, a leading provider of innovative dining technology solutions, is proud to announce that it has been recognized as the Vendor Partner of the Year by Dave & Buster's, the ultimate entertainment, sports watching and restaurant destination for families and friends.

Dave & Buster's awards Vendor Partner of the Year to the company that has demonstrated exceptional service, innovation, and commitment to enhancing the guest experience. OneDine stood out among its competitors for its cutting-edge technology solutions and dedication to meeting the evolving needs of Dave & Buster's and its customers.

OneDine's OTG (On The Go) tablet is being utilized by Dave & Buster's for tableside ordering and check-out while also allowing for the sale and reload of the Dave & Buster's Power Cards right from the game floor. This strategic implementation of the OTG tablet directly integrated to the POS system and to the gaming system aligns seamlessly with Dave & Buster's commitment to providing guests with a fun and convenient experience throughout their visit.

Mike Manley, Senior Director of Store Systems, from Dave & Buster's shared his enthusiasm for the partnership, stating, "Dave & Buster's has continually been committed to providing its guests with a premier entertainment experience. OneDine has helped fulfill that commitment by making the end of the experience as enjoyable as the games and incredible food and beverages the guests have enjoyed during their visit. We are thrilled to have found a partner such as OneDine and look forward to growing this partnership further."

"We are honored to receive this prestigious recognition from Dave & Buster's," said Rom Krupp, Founder & CEO of OneDine. "This award is a testament to our team's hard work and dedication to providing innovative dining solutions that enhance the overall guest experience. We are proud to partner with Dave & Buster's and look forward to continuing to innovate and drive success together."

This recognition from Dave & Buster's further solidifies OneDine's position as a leader in the dining technology space and underscores the company's commitment to innovation and excellence.
